

# CAPABILITY STATEMENT

UEI: WA2YWRDAC1M5

CAGE: 9GQK5

**Green Traction LLC** is an Illinois WMBE-certified courier and delivery firm supporting federal, state, and local government agencies and prime contractors across the Chicago metropolitan area and statewide Illinois. We provide scheduled and on-demand delivery and multi-stop distribution with confirmed time windows. Service includes proactive status updates and documentation-ready proof of delivery (**POD**) to support contract compliance, closeout, and audit readiness.

## CORE COMPETENCIES

- **Time-Definite Courier Delivery** (Scheduled & On-Demand)
- **Multi-Stop Distribution with Time-Window Coordination**
- **Sensitive and Regulated Deliveries** (Chain-of-Custody, as required)
- **Government Product Sourcing and Fulfillment Support** (Post-Award Only)

## DIFFERENTIATORS

- **Compliance-Ready Operations** – HIPAA-trained with documented handling procedures and chain-of-custody controls available when required; built to support regulated, sensitive, and audit-exposed delivery environments.
- **Credentialed Facility Access** – TWIC credential available for controlled facilities, ports, and restricted-access government or contractor sites (as applicable).
- **Contracting Communication Standard** – Single point of contact, proactive status reporting, and rapid exception escalation designed to prevent missed timelines and support contract performance accountability.
- **Documentation-Ready Closeout** – Proof of delivery and service documentation aligned to contract scope, enabling clean invoice support, reconciliation, and audit readiness.
- **Federal Contract Alignment** – Operationally aligned with federal invoicing support, POD, and exception reporting workflows.

**Certification:** State of Illinois WMBE (Women/Minority Business Enterprise)
